## **Book Two Finding The Victim The Body Identified As Adam Walsh Is Not Him Is Adam Still Alive A Deep Investigation Into The Crime That Launched America S Most Wanted**

This specially-priced 3-book Box Set of Investigative True Crime stories includes: FLOWERS FOR MRS. LUSKIN: The divorce was vicious, but at least it hadn't turned deadly. Then came the flowers. and THE UNSOLVED MURDER OF ADAM WALSH: Book 1: Was the man in the mall the most notorious murderer in history? Book 2: The body identified as Adam Walsh is not him. Is Adam still alive?

The woman's golden hair is spread out beneath her on the bed of leaves where she's fallen, her beautiful blue eyes open wide. The police are calling it a random attack, but Jessie Tucker isn't so sure — she's seen this crime scene before — she was the victim. Twelve years ago, Jessie Tucker was attacked as she made her way home from an outdoor concert. She still walks with a limp from that night, and every day since has been a struggle to rebuild her life. The police told her she was unlucky — that she was safe after they charged a local man for the crime. But Jessie has never managed to shake the feeling that there was someone else in the park that night — someone she knew. But then Margaret Kincaid's murder file lands across her desk, and Jessie knows she can't keep silent any longer. Margaret's wounds so exactly match her own its spooky — but Jessie's attacker is in prison, and Jessie has never met the victim. What links her to Margaret

Kincaid, and why did the attacker let one woman live, and the other die? Nail-biting, gripping and absolutely unputdownable! Perfect for fans of Lisa Regan, Kendra Elliot and Gregg Olsen. What readers are saying about The Silent Victim: "Wow...this book was extremely unexpected" From beginning to end, every page was a thrill ride. I was hooked right from the start" I can't wait to read more." Goodreads reviewer, 4 stars "I loved everything about it! It was really interesting to read from the view of the reporter and what happened to her and the end. OMG was not expecting that! It was really gripping." Goodreads reviewer, 5 stars "This mystery will keep you guessing until the very end" It will keep you on the edge of your seat." Goodreads reviewer, 5 stars "So tense, so chilling, full of twists and turns. Kept me up well past my bedtime, I could not put it down. Great beginning to a new series I will be following." Goodreads reviewer, 4 stars "This book grabbed me from the first page. It's a great story with all sorts of twists and turns. Just when I thought I had it figured out the author veered off in another direction." NetGalley reviewer, 4 stars "I really enjoyed this psychological thriller! So many levels of domestic drama, political secrets and good cop/bad cop. Loved the characters. So easy to fall in love with the star of the book Jessie Tucker" So many thrilling twists and turns. The book caught me from the very beginning and just could not put it down. Lots of wonderfully intense emotions in this book! I highly recommend it!" Goodreads reviewer, 5 stars

edgy, accomplished debut! — Kate Quinn, New York Times bestselling author of *The Alice Network* A forgotten history. A secret network of women. A legacy of poison and revenge. Welcome to *The Lost Apothecary* Hidden in the depths of eighteenth-century London, a secret apothecary shop caters to an unusual kind of clientele. Women across the city whisper of a mysterious figure named Nella who sells well-disguised poisons to use against the oppressive men in their lives. But the apothecary's fate is jeopardized when her newest patron, a precocious twelve-year-old, makes a fatal mistake, sparking a string of consequences that echo through the centuries. Meanwhile in present-day London, aspiring historian Caroline Parcellwell spends her tenth wedding anniversary alone, running from her own demons. When she stumbles upon a clue to the unsolved apothecary murders that haunted London two hundred years ago, her life collides with the apothecary's in a stunning twist of fate—and not everyone will survive. With crackling suspense, unforgettable characters and searing insight, *The Lost Apothecary* is a subversive and intoxicating debut novel of secrets, vengeance and the remarkable ways women can save each other despite the barrier of time.

*MATERNITY NURSING CARE*, 2nd Edition delivers all of the core components of obstetrical nursing, along with in-depth study features to help you develop and enhance analytical skills. Starting with women's health issues and pregnancy care, the chapters progress through labor and childbirth, postpartum care, and newborn development, addressing the nursing considerations for both normal and high-risk scenarios where appropriate. Written from a nursing perspective, *MATERNITY NURSING CARE*, 2ND Edition emphasizes overall patient care as opposed to

medical treatment alone, and illustrates the critical importance of fostering the nurse-patient relationship. MATERNITY NURSING CARE, 2ND Edition is also bound with a helpful StudyWARE™ online, which includes case studies, NCLEX-style review questions, videos, activities, a glossary, and many other features to help you meet and exceed the highest standards of obstetrical nursing care. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Leventhal is a natural victim; a man uncertain of himself, never free from the nagging suspicion that the other guy may be right. So when he meets a down-at-heel stranger in the park one day and finds himself being accused of ruining the man's life, he half believes it. He can't shake the man loose, can't stop himself becoming trapped in a mire of self doubt, can't help becoming ... a victim.

Sergeant Lindsay Boxer tackles an ambitious case that spans San Francisco, L.A., and Chicago in this pulse-pounding thriller of "smart characters" and "shocking twists" (Lisa Gardner, #1 New York Times bestselling author). Three victims, three bullets, three cities. The shooters' aim is as fearsomely precise as their target selection. When Lindsay realizes that the fallen men and women excel in a lucrative, criminal activity, she leads the charge in the manhunt for the killers. As the casualty list expands, fear and fascination with this suspicious shooting gallery galvanizes the country. The victims were no angels, but are the shooters villains . . . or heroes?   
□A bloody thriller with a nonstop, page-turning pace□ from the #1 New York Times bestselling author of Water's Edge (The Oregonian). □Wickedly clever! Genuinely twisted.□ □Lisa Gardner

“Olsen will have you on the edge of your seat.” —Lee Child The bodies are found in towns and cities around Puget Sound. The young women who are the victims had nothing in common—except the agony of their final moments. But somebody carefully chose them to stalk, capture, and torture . . . a depraved killer whose cunning is matched only by the depth of his bloodlust. But the dying has only just begun. And next victim will be the most shocking of all . . . . Praise for Gregg Olsen “Grabs you by the throat.” —Kay Hooper “An irresistible page-turner.” —Kevin O’Brien “Olsen writes rapid-fire page-turners.” —TheSeattle Times “Frightening . . . a nail-biter.” —Suspense Magazine “A work of dark, gripping suspense.” —Anne Frasier “Truly a great read.” —Mystery Scene Magazine

From Bestselling Author, Lexy Timms, comes a billionaire romance murder mystery that'll send your heart racing. Rachel Evans reluctantly steps in to become the vice president of her family's company, Syco Pharmaceuticals when her father is murdered. After his death, and a sudden rise in billionaire's being murdered, Rachel begins to suspect everyone, as does the lead detective assigned to the case. Detective Adrien Deluca and his partner, Chase Hunters, can't seem to catch a break in the serial billionaire murders. When the case hits too close to home, Deluca steps back to let Chase lead the investigation. As time moves too fast and the evidence too slow, Deluca begins to worry that the girl he's falling for might be the next victim. Can they catch the killer before it's too late, and Rachel ends up the next victim? Finding Justice is book two in the Justice Series. It will end on a cliff hanger. Miscast in the media for nearly 130 years, the victims of Jack the Ripper finally get their full stories told in this eye-opening and chilling reminder that life for middle-class women in Victorian London could be full of social pitfalls and peril.

With its unique human-rights perspective on the study of

## Read Online Book Two Finding The Victim The Body Identified As Adam Walsh Is Not Him Is Adam Still Alive A Deep Investigation Into The Crime That Launched America S Most Wanted

childhood victimization and an innovative, child-inclusive restorative justice model, this book promises to be a touchstone for practitioners, policymakers, and researchers concerned with children's well-being in the aftermath of crime and violence.

The 1981 murder of 6-year-old Adam Walsh, son of John Walsh, is one of the most shocking crime stories of the era. But why has there never been a "Trial of the Century" for it? Not for lack of suspects ... In fact, it's never been clearly established that the child who was found and officially identified as Adam -- was really him. After twenty years of following the case, including a deep investigation into the now-public record files of the police in Hollywood, Florida, and the Broward County Medical Examiner's Office, investigative author Arthur Jay Harris now has the definitive proof: All of the essential evidence and documentation, regularly collected and kept in every other case involving a found and initially unidentified body, which would forensically prove an identification -- is

## Read Online Book Two Finding The Victim The Body Identified As Adam Walsh Is Not Him Is Adam Still Alive A Deep Investigation Into The Crime That Launched America S Most Wanted

stunningly missing from the files of the Adam Walsh case. A report of an investigation by the Florida Department of Law Enforcement confirms it: It's not there. What is missing includes: There is no signed autopsy report, although an autopsy was performed; there are no photos of the autopsy; there is no forensic dental report, although the identification was made only by teeth; and there are no X-rays of the teeth of the found child, nor of Adam, from his dentist. As a prominent Miami forensic dentist told Harris, and other forensic dentists said as well, without a dental X-ray comparison he wouldn't be able to testify in court affirming the ID. That is how you make dental IDs, he said. And without a clear identification of the victim as Adam Walsh, a murder case against any defendant would fail. Why is all this evidence missing? Why is this case different from all other similar cases? Does this explain why the murder case of Adam Walsh has never come to trial -- and never will? Someone got away with the most heinous of murders -- and you might think, did more, afterwards. But was the

## Read Online Book Two Finding The Victim The Body Identified As Adam Walsh Is Not Him Is Adam Still Alive A Deep Investigation Into The Crime That Launched America S Most Wanted

child in fact Adam Walsh? Adam was missing two weeks when a child's brutally severed head was found in a remote roadside canal 125 miles away from the Hollywood shopping mall where Adam's mother said she'd left him alone in the toy department for just five minutes. None of the rest of the body was ever found. That child was quickly identified as Adam. The Walsh parents were not present at the morgue. But as Harris shows with photo comparisons, including public record police photos, it is very unlikely that the found child is actually Adam. The child is much more likely some other child, never properly identified, its parents never told. In a close-up of his famous "Missing" photo, Adam clearly and endearingly has neither top front tooth. John Walsh, in his book *Tears of Rage*, wrote that the photo was taken about a week before he disappeared. Adam's best friend said he last saw him a week or two before he disappeared and he still had neither top front tooth. Adam was gone two weeks when the child was found; the medical examiner who did the autopsy told the newspapers he thought the child may

## Read Online Book Two Finding The Victim The Body Identified As Adam Walsh Is Not Him Is Adam Still Alive A Deep Investigation Into The Crime That Launched America S Most Wanted

have been dead for all of that time. But a police photo of the found child clearly shows a buck tooth -- a top left adult central incisor. It was in "almost all the way," said a forensic anthropologist who for police took his own photos of the found child's skull. Could a child have grown in a top front tooth in anywhere close to only that little amount of time? Pediatric dentists say no. There is much, much more to the likely misidentification -- and the police's closing of the case on a likely wrong suspect. Harris has already presented much of the earlier part of the story on ABC Primetime, in The Miami Herald, and elsewhere. Now, read the full story that's been kept from public view until ...

a young boy confesses to a horrific shooting spree at a local school. The frightened residents of Bakersville, Oregon are demanding answers but is all as it seems? Officer Rainie Conner is leading her first homicide investigation, and whilst the event is bringing up past sins and painful memories of her own, she knows that she has to find the whole truth. With the help of FBI profiler Pierce Quincy, Rainie launches a full investigation but she soon realises that the shooting is just the beginning; there's someone out there watching Rainie and he won't rest until he's finished what he started.

Disputing the police, investigative author and journalist Arthur Jay Harris shows why the 1981 kidnapper and murderer of 6-year-old Adam Walsh, son of John Walsh, is serial killer Jeffrey Dahmer.

*“A MASTERPIECE OF THRILLER AND MYSTERY. Blake Pierce did a magnificent job developing characters with a psychological side so well described that we feel inside their minds, follow their fears and cheer for their success. Full of twists, this book will keep you awake until the turn of the last page.” --Books and Movie Reviews, Roberto Mattos (re Once Gone) FACE OF MURDER is book #2 in a new FBI thriller series by USA Today bestselling author Blake Pierce, whose #1 bestseller Once Gone (Book #1) (a free download) has received over 1,000 five star reviews. FBI Special Agent Zoe Prime suffers from a rare condition which also gives her a unique talent—she views the world through a lens of numbers. The numbers torment her, make her unable to relate to people, and give her a failed romantic life—yet they also allow her to see patterns that no other FBI agent can see. Zoe keeps her condition a secret, ashamed, in fear her colleagues may find out. When women are found murdered, their bodies branded with mysterious numbers, outside Washington, D.C., the FBI, stumped, calls in Special Agent Zoe Prime to decipher the mathematical riddle and find the serial killer. Yet the numbers make no sense. Are they a pattern? A formula? Or do they have no meaning at all? Zoe, reeling from her own personal troubles, hasn't the luxury of time, as more bodies pile up, and as all eyes turn to her to solve an equation that, perhaps, cannot be solved. Will she catch the killer in time? An action-packed thriller with heart-pounding suspense, FACE OF MURDER is book #2 in a riveting new series that will leave you turning pages late into the night. Book #3 in the series—FACE OF FEAR—is also available!*

*Despite the increase in rape crisis centers and improvements in the treatment of rape victims over the past twenty years, many rape victims find themselves the victims of a 'second rape' by the doctors, lawyers, judges and administrators who process them. Using interviews, studies and archives, Rape Work takes a critical look at the officials who process rape victims to show how the structure of their respective organizations often prevents them from giving victims responsive care.--COVER.*

*Since the late 1970s, the movement portrayed in this volume has been demanding that the law stand in for society as a whole, and use its authority to demonstrate the triumph of good over evil rather than simply to bear out the bureaucratic process. In so doing, its proponents are changing our concept of justice by defining a role for crime victims beyond the evidentiary need of the prosecution in a court of law. Weed examines the complex organizational system and grass roots groups affiliated with the movement, and takes a look from within at their leaders and agendas. His study also details the recent changes in state and federal laws and the legal decisions rendered in the name of "victims' rights."*

*In 2005, hurricane rescue workers made a grisly discovery at one of the massive refrigerator "graveyards"—six female hands. Captain Patti O'Shay, a by-the-books cop, is assigned to the case. But with the evidence lost to time and the elements, the heinous incident goes unsolved. The perpetrator, known only as "The Handyman," remains at large. Two years later Patti is still haunted by her own personal tragedy—her husband and fellow police captain was murdered in the post-storm chaos. But when a female victim missing her right hand is*

**Introducing FBI profiler Karen Vail, who crosses paths with a Virginia serial killer in the first in the bestselling series. Special Agent Karen Vail “is a knockout, tough and brilliant” (Tess Gerritsen). As lead**

Read Online Book Two Finding The Victim The Body Identified As Adam Walsh Is Not Him Is Adam Still Alive A Deep Investigation Into The Crime That Launched America S Most Wanted

profiler for the FBI, Vail is spearheading the task force investigation into a serial killer known as “Dead Eyes,” who’s been terrorizing Fairfax County, Virginia. What separates this psychopath from the others is a peculiar savagery, and an intimate knowledge of the FBI’s detailed strategy of pursuit. What separates Vail from her peers is a life that has made her hard and uncompromising. Recently divorced from an abusive husband, and in the throes of an ugly custody battle, she’s also helpless against her mother’s struggle with Alzheimer’s. But little by little, as Vail’s personal baggage begins to consume her, the investigation threatens to derail. Now she’s weighing her last hope on a controversial profile. It suggests that the one key to solving the case lies with the seventh victim. But that key will also unlock secrets that could destroy Vail’s career, and expose a truth that even she might not be strong enough to survive. In compiling his research for *The 7th Victim*, Alan Jacobson was allowed wide-ranging access to the FBI’s behavioral profiling unit over several years. Named one of the top five books of the year by *Library Journal*, it’s “a quantum leap in terror and suspense . . . A masterpiece” (New York Times–bestselling author James Rollins).

**This Investigative True Crime Sampler by Arthur Jay Harris includes cliffhanger samples from his books Flowers for Mrs. Luskin, Speed Kills, Until Proven Innocent, and The Unsolved Murder of Adam Walsh.**

**They didn't know each other, but the events of one single day heralded a pivotal change that would alter their lives forever. Almost two decades spent locked away in a dark, dank cell, Gray Bennet isn't used to the sun, the sounds, the scents. It's overwhelming. Each year Robin Bishop returns, and while everyone around her is solemn, she lifts her face to the sun and celebrates her freedom. It's liberating. He sees her. She stands out in the grieving crowd—her head thrown back, her face bright with contentment—like a beacon offering to guide him into the light.**

**THE UNSOLVED MURDER OF ADAM WALSH IS A TWO-BOOK SERIES ALSO READ BOOK ONE: FINDING THE KILLER** Six-year-old Adam Walsh disappeared from the toy department of a Sears in Hollywood, Florida, in 1981. Two weeks later and 125 miles away, a child's severed head was found and identified as Adam. His parents, Reve and John Walsh, deeply grieved and dedicated their lives going forward to

Read Online Book Two Finding The Victim The Body Identified As Adam Walsh Is Not Him Is Adam Still Alive A Deep Investigation Into The Crime That Launched America's Most Wanted

helping find other parents' children who had gone missing. In 2008, 27 years later, police announced at a live televised press conference that they'd finally solved the case, blaming the kidnapping and murder on a by-then dead man. Because of that there could never be a trial. All of that is true. But virtually everything else that you think you know about this famous case is wrong. In 1983, 25 years earlier, that suspect had volunteered a confession that he'd killed Adam Walsh. But the police then had deeply investigated his story and couldn't verify anything he'd said, not even that he'd been within 400 miles of the area. In 2008, when a new Hollywood Police chief closed the case, he admitted they had no new evidence. What the new chief didn't mention was that by then he had six separate police witnesses who'd been at the shopping mall on that day in 1981, and had since spoken up. Most had seen Adam; all had seen a much more likely suspect -- Jeffrey Dahmer. A microfilmed Miami police report the author found and had previously shown to the Walsh detectives proved that Dahmer was then living just a few miles from the Sears. Dahmer's boss told the author that the prompt for the report was that Dahmer had told him he'd just found the body of a homeless man behind the store. Yes, bad luck,

Read Online Book Two Finding The Victim The Body Identified As Adam Walsh Is Not Him Is Adam Still Alive A Deep Investigation Into The Crime That Launched America S Most Wanted

**Jeffrey Dahmer found a dead body. 1981 was 10 years before Milwaukee police found severed heads in Dahmer's refrigerator and arrested him as a serial killer. He said he'd killed his first victim in 1978. Even worse, it turned out that the identification of the child as Adam had been slapdash and suspect. The Walsh parents weren't present for it; John Walsh wrote years later that he'd never viewed even photographs of the remains. A family friend had been present for the ID, and Walsh wrote that his first impression had been that it wasn't Adam. Because the remains were only a severed head, there were no fingerprints, and forensic DNA was still years away. The pathologist making the identification did it strictly by teeth, but he admitted he wasn't a dental expert. Dental X-rays, when available, are a standard for comparison, but he didn't have them. He also had a forensic dentist available but never consulted him. A medical examiner in another regional office performed the autopsy, but he also never consulted a forensic dentist. Worse again, that medical examiner never wrote and submitted an autopsy report, as state laws and guidelines require. That perhaps never happens. Had police ever charged any live defendant with murder in this case, prosecutors in court would have**

Read Online Book Two Finding The Victim The Body Identified As Adam Walsh Is Not Him Is Adam Still Alive A Deep Investigation Into The Crime That Launched America S Most Wanted

been handcuffed to prove that the dead child was Adam. The case likely then would have ended. Why all the misdirection? Did Dahmer take Adam? Is Adam even dead, is that someone else's child? Could Adam be... alive? Fifteen years of continuing research. Author's story appeared in 2007 on ABC Primetime, and in 2010 on a Sunday front page of The Miami Herald. "I never, and to my knowledge no one in the office, prepared a report on the head of Adam Walsh." -- 2010 email from Dr. Ronald K. Wright, in 1981 the Chief Broward County Medical Examiner, who performed the autopsy on the remains of the child previously identified as Adam Walsh, when asked if he had a personal copy of Adam Walsh's autopsy report that neither the Medical Examiner's Office nor the police had. "There's no way in hell." -- A Florida forensic dentist, viewing the teeth in both the last picture of Adam Walsh and the remains of the child identified as him, responding to the question of whether they could be the same child. Other forensic dentists shown the same material agreed. The shocking true story of a bizarre kidnapping and the victims' re-victimization by the justice system. In March 2015, Denise Huskins and her boyfriend Aaron Quinn awoke from a sound sleep into a

Read Online Book Two Finding The Victim The Body Identified As Adam Walsh Is Not Him Is Adam Still Alive A Deep Investigation Into The Crime That Launched America's Most Wanted

**nightmare. Armed men bound and drugged them, then abducted Denise. Warned not to call the police or Denise would be killed. Aaron agonized about what to do. Finally he put his trust in law enforcement and dialed 911. But instead of searching for Denise, the police accused Aaron of her murder. His story, they told him, was just unbelievable. When Denise was released alive, the police turned their fire on her, dubbing her the “real-life ‘Gone Girl’” who had faked her own kidnapping. In Victim F, Aaron and Denise recount the horrific ordeal that almost cost them everything. Like too many victims of sexual violence, they were dismissed, disbelieved, and dragged through the mud. With no one to rely on except each other, they took on the victim blaming, harassment, misogyny, and abuse of power running rife in the criminal justice system. Their story is, in the end, a love story, but one that sheds necessary light on sexual assault and the abuse by law enforcement that all too frequently compounds crime victims’ suffering.**

**From Best Selling Author, Lexy Timms, comes a billionaire crime romance that'll send your heart racing. Rachel Evans has the life most people could only dream of: the promise of an amazing job, good looks, and a life of luxury. The problem is, she hates it. She tries desperately to avoid getting sucked into the family business and hides her wealth and name from her friends. She's seen her brother trapped in that life, and doesn't want it. When her father dies in a plane crash, she reluctantly steps in to become the vice president of her family's company, Syco Pharmaceuticals. Detective Adrien Deluca and his partner have been called in to look at the crash. While Adrien immediately suspects not everything about the case is what it seems, he has trouble convincing his partner. However, soon into the investigation, they uncover a web of deceit which proves the crash was no accident, and evidence points toward a shadowy group of people. Now the detective needs find the proof. To what lengths will Deluca go to get it? Search Terms: suspense romance, thriller suspense romance,**

**Restorative justice occupies an important place in criminological literature and criminal justice policies and is about facilitating communication between victims, offenders and communities in search of conciliation. Research shows that victims of crime are generally highly satisfied with their participation in a restorative intervention, such as victim-offender mediation, family group conferencing and victim-offender encounters. In order to maintain good restorative practice, the reasons why restorative justice is appreciated need to be clearly understood. In this book, Tinneke Van Camp identifies and explores the factors that contribute to victims' appreciation of restorative practices in order to advance insight into why restorative justice works for victims. Based on original research and qualitative interviews with victims of violent crime, this book draws on procedural justice theory and socio-psychological studies and analyses how victims value restorative interventions. The findings shed a light on the factors that contribute to victim satisfaction with restorative**

A sensational debut thriller from a master storyteller. A *KILLER WITH A MESSAGE*. Two men have been murdered. Both of them were school bullies when they were younger. Plenty of people would have wanted them dead. A single clue has been found at the scene: a class photo from 1982, with two faces neatly crossed out. A *DETECTIVE WHO CAN'T LET GO*. Fabian Risk is the lead detective on the case. He's also one of the children in the photograph. As more people die, and more faces are crossed out, it becomes clear that a serial killer is targeting old classmates one by one. Fabian Risk thought he'd left his schooldays behind... Now he must confront his past if he is to find the killer before it's too late.

*VICTIM WITHOUT A FACE* is both a high voltage thriller and a fearless exploration of the darkest side of human nature. To

people are explained in this book. For Polly, as with many people, the most important thing is that she has a voice and is believed and listened to. Having a policeman, an intermediary, Victim Support and a judge all listen to you shows how powerful your voice can be.

The most famous true crime novel of all time and one of the first non-fiction novels ever written; *In Cold Blood* is the bestseller that haunted its author long after he finished writing it. On November 15, 1959, in the small town of Holcomb, Kansas, four members of the Clutter family were savagely murdered by blasts from a shotgun held a few inches from their faces. There was no apparent motive for the crime, and there were almost no clues. As Truman Capote reconstructs the murder and the investigation that led to the capture, trial, and execution of the killers, he generates both mesmerizing suspense and astonishing empathy. *In Cold Blood* is a work that transcends its moment, yielding poignant insights into the nature of American violence. Living decades apart, two women get caught in the web of an

*infamous serial killer. In 1938, at the height of the Great Depression, a madman hunts his victims through the hobo jungles of Cleveland, terrorizing the city. Ethel Harding, a prostitute struggling to survive both the cold streets and the Torso Killer, takes refuge with a devout missionary sect--only to find that its righteous facade conceals the darkest of secrets. Sixty years later, the police find the butchered body of Alfred Wiley in the woods. But before his daughter, Kris, can even identify the remains, things he never told her begin to surface one by one--a mysterious private eye who'd been tracking him, an eerie website devoted to the unsolved "Torso" murders, missing archives, stolen books, and an abandoned Bible factory harboring vagrants. The more she learns about her father's obsession with the Torso Killer, the more Alfred's death appears to be related, pulling Kris further into Cleveland's hellish past. Living decades apart, Ethel and Kris must unravel the truth behind the city's most notorious serial killer...or die trying.*
