"This fun, flexible and accessible photocopiable business English resource book contains 43 games and activities. The material is mainly functional, focusing on the most commonly practised functions on the business English syllabus. This means that the book can be used to complement a wide range of business English courses. It provides learners with an opportunity to practise relevant language and communication skills in a variety of business situations. It is aimed mainly at adult students who work in a business context and need English at work, or pre-experience learners who plan to enter the business world and use English there. Although designed mainly for lower to upper-intermediate level students, the user-friendly teaching notes mean many of the activities can be easily adapted for use with elementary or more advanced students."--Publisher's description.

Powerhouse takes a refreshing and exciting look at the world of business and the people and stories that have shaped it - all supported by comprehensive language and skills work. The study book provides activities and tests for self-study use.

New International Business English is a best-selling course for upper intermediate (B2) level learners who need to use English in their day-to-day work. In this revised edition, all four language skills - listening, speaking, reading and writing - are developed through a variety of tasks that closely reflect the world of work. The 15 topic-based units in New International Business English provide learners with numerous opportunities for discussion and cover a wide range of subjects, including face-to-face business skills and techniques, telephone skills, international trade, marketing, meetings, and sales and negotiations.
