

Computerworld

Computerworld
[Computerworld](#)
For more than 40 years, Computerworld has been the leading source of technology news and information for IT influencers worldwide. Computerworld's award-winning Web site (Computerworld.com), twice-monthly publication, focused conference series and custom research form the hub of the world's largest global IT media network.

A group of rebels struggle to assert their individuality and free will in a future world completely controlled by computers
