

## Deus Vult

*Deus Vult Crusader Shield Cross Premium/h3>*

*Based on a true story, this is one human's tale of how history could have unfolded, from the beginning to end. Ruth had no way of knowing that merely tracing her family tree would not only lead back to Jesus but through William the Conqueror, Charlemagne, Merovingians, and all the way back to Adam & Eve! The author hopes it encourages others to follow their ancestor's path as well.*

*Deus Vult Tee Knights Templar Crusader Helmet/h3>*

*To obtain the Holy Grail... ..he must face The Demon King! Ser Domingo of the Kingdom of Castille-Leon must confront horrors such as he's never seen after a hard battle to win Jerusalem in the first crusades. He is transported to another realm where he must run the gauntlet of strange, magical creatures. But while there, he learns there is a prophecy to fulfill, one that means more than a simple holy relic, but he holds the fate of this realm and perhaps all of the lands beyond in his hands! Fans of classic fantasy comics like Conan The Barbarian and Prince Valiant will love Deus Vult!*

The Crusades spanned hundreds of years and were fought throughout the Mediterranean world as well as in the Holy Land. Three monotheistic religions laid claim to the most ancient of cities: Jerusalem! The stories within this anthology are the tales of those who fought in the wars, or sought to escape them...

Set in the early 1100's in Dol, France, we follow a knight from young boyhood through knighthood and travels around Europe and discover a knight's life as the gritty, battle-ridden life it really was.

White Deus Vult Text/h3>

This is a book for the Christian Traditionalist. It is intended, not as a theological treatise (though theology is present), but a series of orthodox Christian musings on Modernity, culture and faith. It is a philosophical and meta-political glimpse into the potential for a future Christendom and resistance to Modernity. It is a book only for those who are serious about their Christian faith and Tradition, and living that tradition. It is a book for those who seek morality, truth and order in civilization by looking to our past and bringing the best of it into our future. It is a book for Christian spiritual warriors. Topics covered include: Cultural Marxism, Education, Radical Environmentalism, Reality, Relativism, Modesty, Principles of Christendom, Clothing, Globalism, and more.

Are you looking for a notebook or diary? Then today is your lucky day. Your perhaps new journal contains 110 lined pages and a great logo. Enough space to write down all your notes, important ideas and other important thoughts. Perfect as a gift for men, women and children. Mother, father and kids can also enjoy this beautiful notebook for Christmas or birthday. If you want to see more of this kind of paperbacks, click on the author's name!

Gloriosi cavalieri erranti, armati di spade, scudi e corazze lucenti, con a capofila il condottiero e il porta stendardo, con al seguito un'orda di straccioni formati da uomini, donne, vecchi e bambini. Quel grido "Deus Vult!" Dio lo vuole, si trasformò in una tragedia di proporzioni gigantesche. Già dalla prima crociata, persero la vita oltre duecentomila uomini. Le crociate continuarono a susseguirsi l'una dopo l'altra in un carosello infernale, percorrendo in faticosissimi pellegrinaggi, migliaia di chilometri camminando giorno e notte per raggiungere Costantinopoli, passare il Bosforo per poi proseguire raggiungendo Gerusalemme, fino che gli ultimi cavalieri non furono sepolti tra le rovine di San Giovanni D'Acri.

Doug runs away from his life crisis by committing suicide. But then he faces much bigger troubles. Since he is trapped somewhere between heaven and hell, he has to deal with the rules of god.

*Whose Middle Ages? is an interdisciplinary collection of short, accessible essays intended for the nonspecialist reader and ideal for teaching at an undergraduate level. Each of twenty-two essays takes up an area where digging for meaning in the medieval past has brought something distorted back into the present: in our popular entertainment; in our news, our politics, and our propaganda; and in subtler ways that inform how we think about our histories, our countries, and ourselves. Each author looks to a history that has refused to remain past and uses the tools of the academy to read and re-read familiar stories, objects, symbols, and myths. Whose Middle Ages? gives nonspecialists access to the richness of our historical knowledge while debunking damaging misconceptions about the medieval past. Myths about the medieval period are especially beloved among the globally resurgent far right, from crusading emblems on the shields borne by alt-right demonstrators to the on-screen image of a purely white European populace defended from actors of color by Internet trolls. This collection attacks these myths directly by insisting that readers encounter the relics of the Middle Ages on their own terms. Each essay uses its author's academic research as a point of entry and takes care to explain how the author knows what she or he knows and what kinds of tools, bodies of evidence, and theoretical lenses allow scholars to write with certainty about elements of the past to a level of detail that might seem unattainable. By demystifying the methods of scholarly inquiry, Whose Middle Ages? serves as an antidote not only to the far right's errors of fact and interpretation but also to its assault on scholarship and expertise as valid means for the acquisition of knowledge.*

*God wills it. A Saint must find a way. All Tommy Nolan wants is some peace to enjoy his family. He's been to hell and back, and now he needs a break. But evil doesn't need to take a breather, and now the Vatican is back on his doorstep asking for help. A nearby monastery has been desecrated and the exorcist monks murdered in the most brutal ways imaginable. A legion of demons is gathering for something big, and Tommy's the saint they need to help. An old enemy is the ally he needs, but can Tommy trust him?*

Can they track down all of the demons in time? And what does the Necronomicon have to do with it all? Read Deus Vult today and find out!
