

Elementary Students Book

insight will challenge, develop and inspire your students.It will motivate and engage them with thought provoking topics and information rich texts which will challenge their opinions and inspire them to think critically about the world they live in.It will prepare them for a life of learning with a clear focus on developing their skills and autonomous learning habits.It will give your students a deeper awareness of how language works, furnishing them with not just the meaning of vocabulary but also the rules that govern its use, allowing your students to use it with confidence.

Intended for professionals who need English for work, travel, and socializing, this highly practical course bridges the gap between general English and the professional world of working adults. The syllabus is based on the needs of people in work who use English as an international means of communication, especially those who find that general coursebooks are too general, and business English courses too specialized.

Engaging texts, new video content and a comprehensive digital package are just some of the features that make this fully revised edition even more effective. New World culture lessons encourage the exploration of contemporary topics and develop online research skills. Language live lessons provide light-hearted contexts for practising functional language and writing. The DVD contains all the audio and video clips and a digital Mini dictionary of key vocabulary. Free audio resources Free audio resources for the Cutting Edge series are available online at the English Portal. Simply complete your request via this link and create your account for the English Portal. Once your account is active you'll find the Cutting Edge free resources are accessible in your English Portal account.

Inside 'Natural English grammar, elementary': * Colourful illustrations and humorous situations or dialogues are used to present each new grammatical item. * Grammatical points are presented in clearly laid out tables highlighting each new structures. * A wide range of exercises gives students ample opportunity to practise the grammatical point presented in each unit. * Special section explaining all of the grammatical structures and functions.

It's a course with a new syllabus area called natural English - accessible, high-frequency phrases which elementary learners can pick up and use. You'll find an emphasis on how to use real language: natural English provides thinking and rehearsal time, confidence-building practice, and task-centred speaking. There's a special focus on learning how to listen and help with pronunciation and listening sections include extra pronunciation and listening exercises. For teachers... there's a new kind of teachers book, with specially designed lesson plans, and five 'how to...' teacher development chapters. Choices gives teachers the flexibility to adjust the course to their students' individual needs. What is it? Tasks that encourage students to take control over their knowledge and skills development.

Engages teenagers with favourite topics, such as video games and parties, authentic BBC and Channel 4 clips, like the talented Jamie Oliver. Aimed at 15-19 year olds
