No one can appreciate the size or shape of a forest without flying over top to view the big picture. The Bible is like a forest and individual books are similar to trees. Studying small portions of Scripture is worthwhile and necessary. Nevertheless one of the first steps of discipleship after salvation should be an understanding of the big picture in the Bible. God's Unfolding Story of Salvation teaches believers that the biblical storyline is Christ-centered. Often people think of redemptive history only in terms of its promises in the Old Testament and its fulfillment in the New Testament. There is much more to the story than that. In the Old Testament the Holy Spirit also points to Christ through preparation for his birth, pictures or types, and anticipation. Since God's story ultimately affects each one of us, it is worth the time and effort required to understand it. If you do this, you will discover a pearl of great value. Forgiveness of sin and reconciliation with God are the greatest needs of everyone past, present, and future. This redemption story brings glory to God and benefits believers.

Leading scholar Daniel Block helps students of the Bible understand the big picture of God's covenants with humanity as they play out in both the First and the New Testaments. After

fifty years of teaching and preaching around the globe, Block brings a lifetime of study and reflection on the First Testament and relationship with God to this comprehensive volume. The book focuses on God's covenants as the means by which God has reached out to a fallen humanity. It examines the heart and history of God's redemptive plan and shows why the covenants are essential for our understanding of the Bible.

This book will help you understand the redemptive story of the Old Testament through six major periods: Creation, Abraham, Sinai, Kings, Exile and Temple, with the first letter of each heading making up the word CASKET. This acronym will enable you to memorize the storyline of the Old Testament and place key events, people and biblical books in their correct time period. The author takes you through each period step by step, explaining the major covenants and highlighting the most important people, events, and biblical themes. As you become familiar with storyline of the Old Testament you will learn that God's redemptive plan is climactically fulfilled in the New Testament with the coming Messiah. The acronym for the entire Bible is CASKET EMPTY, therefore, which points to the empty tomb of Jesus as the beginning of God's new creation, the assurance that death has been defeated, and the guarantee of our resurrection yet to come. Through the acronym CASKET EMPTY you will have a framework for remembering the entire sweep of the Bible with the person and work of Christ at the center.

The Story of Redemption Bible leads readers on a journey through the sweeping storyline of Scripture from start to finish, with conversational commentary written by pastor Greg Gilbert interspersed throughout the full ESV text.

God's Redemptive Plan was written to educate both young adults and inexperienced Christians on what God did to redeem fallen man and allow for a restoration of fellowship. More experienced Christians and those who are further along in their spiritual journey will probably find this book educational as well. Why? Because it simplifies the redemption story by describing who did what, when they did it, where it was done, and why it was done. The Bible is loaded with many historical events, promises, prophecies (fulfilled and to be fulfilled), miracles, and judgments. God's Redemptive Plan links together many of the more well-known events in the Bible-like the fall of man in the Garden of Eden, the flood in the days of Noah, the Tower of Babel, God's call of Abram, the nation of Israel, the promise land, the birth and death of Christ on the cross, and the Church just to name a few, as well as a few of the lesser-known events-like Daniel's 70 weeks, the Times of the Gentiles, the Rapture, the Antichrist, and the Tribulation Period-into one focused theme ... Redemption! You will see that these events, promises, and prophecies are not random, singular acts, but are connected events which reveal the plan God ordained to redeem man from his fallen state and restore him to fellowship through Jesus Christ. It is a fascinating, compelling story of redemption for the ages ... literally ... from the time before man was created through the end times. This story-oriented recovery book unfolds the back-story of redemption in Exodus to show how Jesus redeems us from the slavery of abuse and addiction and restores us to our created purpose, the worship of God.

Eschatological glory is a significant motif in Romans that has failed to garner the attention it deserves. Donald Berry argues that glory lies at the heart of Paul's redemptive historical framework and is an integral part of the gospel Paul proclaims in Romans. For Paul, eschatological glory is the realization of God's purpose for Adam and for Israel to see and to show forth the glory of God. This divine purpose finds fulfillment in Christ and in the new humanity he creates, those who now have "hope of the glory of God" (Rom 5:2). Paul's letter to the Romans provides stunning glimpses into the nature of this eschatological glory and the hope that believers have in Christ. Through careful and compelling exegesis, Berry brings to light Paul's conception of glory and its place at the center of God's purposes in redemptive history. While providing crucial insights into Romans, this study also contributes more broadly to Pauline theology and to the field of biblical theology. It highlights Paul's understanding of a unified divine purpose that runs through creation and redemption--God's desire to display his nature and character in all of creation through image-bearers who share in and reflect his glory.

What's our story? What's this life all about? Over the past five years, I've been compiling text (and audio clips of the text) of the Old and New Testament scriptures, trying to weave together a solid overview of the great themes and consistent threads of the Bible. This narrative, "Our Story", is the result. I've tried to select clips of scripture (the scripture clips are taken from the English Standard Version of the Bible) that will give an honest searcher a good (and condensed) overview of this eternal redemptive story. At the heart of the story is Jesus, the Messiah. We cannot prove, beyond doubt, much of anything in life - life is just not like that. Every approach to life requires a faith of some kind. When I look at the magnificence of the creation around me - the wonder of the subatomic world, the intricacy of a newborn, the beauty of oceans and mountains, the vastness of the universe - I cannot believe that it all just happened through chance and time (some very intelligent people do believe it all just happened, but this also demands faith on their part). There is so much design and order and complexity and purpose in what I see, that it forces me to believe that it all was created - not by an incomprehensible energy source, randomness, and time - but by a Creator, and for a purpose. So what I'm searching to know is "Who is this Creator?" and "For what purpose did He create all this and place us here?" The Bible gives me a picture of this - it was "written over a period of some 1,500 years by over 40 different authors from all walks of life: shepherds, farmers, tent-makers, physicians, fishermen, priests, philosophers and kings." Despite this diversity, the Bible tells a remarkably consistent and compelling story (what philosophers call a "meta narrative"), that reveals the Creator's reason for doing all this. The Bible tells of a great redemptive story:- God created this universe, and created us for His eternal purposes. This life is full of "sign posts" that point us home to Him, and "events" designed to bring us to an end of ourselves. - God offered us an intimate relationship with Him, if we would keep covenant with Him; and choose to walk in His ways and obey His commandments. - Time and time again, God would covenant with man (Adam, Noah, and Abraham, Moses), and man would decide to break covenant with God and to go it alone; to call his own shots, to be his own god. - Then God, through Jacob, made a nation of Israel to play out His redemptive story before the nations. Calling Moses, God redeemed Israel from captivity in Egypt through the Red Sea, gave them His law (picturing what being in relationship with God looks like), set up His presence among them in the Tabernacle, and brought them across the Jordan into the promised land. - Though Moses pled with Israel to "Choose life", yet again, Israel broke covenant with God. Over and over, God sent His prophets to

warn Israel about going its own way, and also to tell them of a coming Messiah who would be the path back to God. - In the fullness of time, God came, in the form of Jesus the Messiah (Immanuel - "God with us"), into our world to live among us, to experience every aspect of our life, and to show us life with God. - So that sinful man (the covenant breakers) could be reconciled back to God, God gave Jesus as our covenant (Isaiah 42:6), took our guilt, and died in our place, so that we might be granted life in Him. - Salvation requires believing in this redemptive story, surrendering one's will/life, and following this Jesus into the life for which God created us. - And in the fullness of time, God will return and make all things new; renewing His people, along with the whole cosmos, and God will dwell among His people, forever.

"God is with us." We say this in our sermons, prayers, and songs, but what does it really mean? For many Christians, the whole notion of God's presence remains vague and hard to define. Exploring both the Old and New Testaments, Professor J. Ryan Lister seeks to recover the centrality of the presence of God in the whole storyline of Scripture, a theme that is too often neglected and therefore misunderstood. In a world that longs for—yet struggles to find—intimacy with the Almighty, this book will help you discover the truth about God's presence with his people and what his drawing near means for the Christian life.

When Suffering is Redemptive offers hope when life is difficult. The eight stories of this book do not seek to explain the "why" of suffering but rather the present ways that God transforms and redeems suffering, particularly how suffering leads to ministry opportunities. Though the stories are personal and sometimes difficult to tell, the authors are transparent with their struggles and honest in their questions. Yet they have not lost sight of Christ and his purpose for their lives. This book will challenge readers to develop a richer sense of God's sustaining grace in the midst of suffering and disability, hopefully resulting in the compassionate involvement of church ministries with those who are in the trenches of their own personal pain or struggles. Along with the personal stories, this book includes discussion questions and suggested resources at the end of each chapter.

Every one of us will experience suffering. Many of us are experiencing it now. As we have seen in recent years, evil is real in our world, present and close to each one of us. In such difficult times, suffering and evil beg questions about God--Why would an all-good and all-powerful God create a world full of evil and suffering? And then, how can there be a God if suffering and evil exist? These are ancient questions, but also modern ones as well. Atheists such as Richard Dawkins, Christopher Hitchens, and even former believers like Bart Ehrman answer the question simply: The existence of suffering and evil proves there is no God. In this captivating new book, best-selling author Randy Alcorn challenges the logic of disbelief, and brings a fresh, realistic, and thoroughly biblical insight to the issues these important questions raise. Alcorn offers insights from his conversations with men and women whose lives have been torn apart by suffering, and yet whose faith in God burns brighter than ever. He reveals the big picture of who God is and what God is doing in the world--now and forever. And he equips you to share your faith more clearly and genuinely in this world of pain and fear. "As he did in his best-selling book, Heaven, Randy Alcorn delves deep into a profound subject, and through compelling stories, provocative questions and answers, and keen biblical understanding, he brings assurance and hope to all." -Publishers Weekly

Powerful Stories of Women in the Bible that Reveal God's Mercy and Love From well-known women like Eve and Esther to those lesser known like Jochebed and Zipporah, women of the Bible play a vital role in God's timeless story of redemption. This book traces the stories of three dozen of the most important women in Scripture, each handpicked by God to play a crucial part in his gracious plan for all humanity. Every chapter begins with a short biography followed by an explanation of how each woman fits into the overall narrative of the Gospel message, pointing to God's love for the individual as well as his larger plan to redeem sinners through the sending of his son. The Bible is the story of God's relationship with his people--men, women, Jews, Gentiles, saints, and sinners. But this book reveals that it's also the story of his relationship with you.
