

New English File Beginner Students Book

English File's unique, lively and enjoyable lessons are renowned for getting students talking. In fact, 90% of English File teachers we surveyed in our Oxford Impact Study found that the course improves students' speaking skills.*How will English File get your students' talking? Lessons and activities that provide the necessary language, motivation and opportunity for students to talk with confidence. Learners build confidence to communicate with a proven balance of Grammar, Vocabulary, Pronunciation and Skills Development in every File. Teachers and students have access to all their English File resources - video, audio, worksheets and much more - in one easy to manage place.*The English File Oxford Impact Study was conducted in January and February 2018. Oxford Impact is how Oxford University Press evaluates its educational products and services so that teachers and learners can be sure that our resources make a positive difference. Each Student's Book comes with access to new Online Practice that is directly linked to each Student's Book.

Effortless English: Learn To Speak English Like A Native A.J. HOGE, THE WORLD'S #1 ENGLISH TEACHER, teaches you his most powerful methods for learning to speak English fluently and confidently. Famous for training corporate and government leaders, A.J. Hoge gives you a step by step program teaching you the system that will help you master English and achieve ultimate success with English. You have studied English for years and yet you still do not speak well. When you speak English, you make grammar mistakes. Your pronunciation is not clear. Worst of all, you feel nervous and shy when you try to speak English. You read English well, but after all these years you still cannot speak well. The good news is, it's not your fault. You have simply used old ineffective methods. Effortless English will teach you a completely new way to learn English faster. Effortless English will..... *Teach you how to overcome nervousness, shyness, and fear when speaking English. *Master spoken English grammar quickly and naturally *Teach you how to improve your English pronunciation and develop an American, British, or Australian accent. *Show you how to achieve a high TOEFL, IELTS, or TOEIC score. *Help you learn vocabulary 4-5 times faster. *Tell you how to feel stronger, calmer, and more powerful when speaking English. *Teach you how to understand native speakers and communicate clearly with them during real conversations. *Help you get better jobs by learning business English. *Teach you how to learn grammar without memorizing grammar rules. "You have studied English many years, yet you still do not speak well. You read English but you feel nervous and frustrated when speaking. It is time for a change. I will teach you to speak English quickly, easily, and automatically using my Effortless English System (TM). I will teach you to speak with correct grammar and excellent pronunciation. You can achieve success now simply by changing the way you learn English."

--A.J. Hoge

Find out more here

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

"... a curriculum geared toward helping students gain skills in consciously regulating their actions, which in turn leads to increased control and problem solving abilities. Using a cognitive behavior approach, the curriculum's learning activities are designed to help students recognize when they are in different states called "zones," with each of four zones represented by a different color. In the activities, students also learn how to use strategies or tools to stay in a zone or move from one to another. Students explore calming techniques, cognitive strategies, and sensory supports so they will have a toolbox of methods to use to move between zones. To deepen students' understanding of how to self-regulate, the lessons set out to teach students these skills: how to read others' facial expressions and recognize a broader range of emotions, perspective about how others see and react to their behavior, insight into events that trigger their less regulated states, and when and how to use tools and problem solving skills. The curriculum's learning activities are presented in 18 lessons. To reinforce the concepts being taught, each lesson includes probing questions to discuss and instructions for one or more learning activities. Many lessons offer extension activities and ways to adapt the activity for individual student needs. The curriculum also includes worksheets, other handouts, and visuals to display and share. These can be photocopied from this book or printed from the accompanying CD."--Publisher's website.

Contains all audio to accompany the English File fourth edition Student's Book.

100% new. New Practical English video, featuring authentic interviews with real people. Shorter syllabus for Beginner-level students.

Provides guidelines and examples for handling research, outlining, spelling, punctuation, formatting, and documentation.

William Golding's *Lord of the Flies* is a dystopian classic: 'exciting, relevant and thought-provoking' (Stephen King). When a group of schoolboys are stranded on a desert island, what could go wrong? 'One of my favorite books - I read it every couple of years.' (Suzanne Collins, author of *The Hunger Games*) A plane crashes on a desert island. The only survivors are a group of schoolboys. By day, they discover fantastic wildlife and dazzling beaches, learning to survive; at night, they are haunted by nightmares of a primitive beast. Orphaned by society, it isn't long before their innocent childhood games devolve into a savage, murderous hunt ... 'Stands out mightily in my memory ... Such a strong statement about the human heart.' (Patricia Cornwell) 'Terrifying and haunting.' (Kingsley Amis) 'Beautifully written, tragic and provocative.' (E. M. Forster) ONE OF THE BBC'S ICONIC 'NOVELS THAT SHAPED OUR WORLD' What readers are saying: 'Every real human being should read this ... This is what we are.' 'It's brilliant, it's captivating, it's thought provoking and brutal and for some, its truly terrifying.' 'It can be read and re-read many times, and every time something new will appear.' 'There is a reason why this is studied at school ... Excellent read.' 'This is one of the few books I've read that I keep on my Kindle to read again.' 'I revisit this every few years and it's always fresh and impressive ... One of the best books I've ever read.'

Get your students talking with these themed conversation classes consisting of a set of conversation

cards and an activity sheet containing relevant vocabulary, idioms and grammar points. The basis of a good conversation class is giving learners a reason and an opportunity to speak and scaffolding that speaking with lexis and grammatical structure as it's needed. The most fruitful conversations arise spontaneously and there is an art to listening well and asking the right questions to in order to uncover the nuggets of universal interest which provoke stimulating classroom discussion. However, some days we come up empty handed, maybe our learners are tired or reluctant to publicly speak up. Here it is also the teacher's role to give learners a gentle push into areas which hopefully will create intellectual arousal and thus opportunities for the teacher to support this output with appropriate input. The activities in this book are intended to facilitate and support rich and stimulating conversation and are not designed to produce standardised lessons. Each unit contains many possible branching off points which can be either pursued in more depth or accepted at face value.

'Tightly plotted and brilliantly written, with sharp, believable characters, this whodunit is utterly irresistible' - HEAT THE INTERNATIONAL BESTSELLER Five students go to detention. Only four leave alive. Yale hopeful Bronwyn has never publicly broken a rule. Sports star Cooper only knows what he's doing in the baseball diamond. Bad boy Nate is one misstep away from a life of crime. Prom queen Addy is holding together the cracks in her perfect life. And outsider Simon, creator of the notorious gossip app at Bayview High, won't ever talk about any of them again. He dies 24 hours before he could post their deepest secrets online. Investigators conclude it's no accident. All of them are suspects. Everyone has secrets, right? What really matters is how far you'll go to protect them.

_____ 'Twisty plotting, breakneck pacing and intriguing characterisation add up to an exciting single-sitting thrillerish treat' -THE GUARDIAN 'A fantastic murder mystery, packed with cryptic clues and countless plot twists. I could not put this book down' - THE SUN 'Pretty Little Liars meets The Breakfast Club' - ENTERTAINMENT WEEKLY

The English File fourth edition Workbook reinforces what is learned in each English File lesson, and can be used as extra practice during class, or set as homework.

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

A new edition of the best-selling English File, improved throughout with brand new digital components to use inside and outside the classroom.
