skills and confidence. The right mix of language work and plentiful practice material enables learners to consolidate their knowledge of key points before proceeding further. The clearly defined grammatical syllabus includes past, present and future time and provides a thorough basis on which to build. The presentation of new language is gradual, methodical and clearly structured, giving learners a clear sense of progression. The vocabulary syllabus focuses on high-frequency survival terms and avoids overload. The gradual introduction of simple skills work with manageable communicative activities give learners a sense of achievement. 'Everyday English' practises social expressions in common situations and shows how learners can apply their knowledge in practical ways.

Quiet the mind, feel less stressed, less tired, and achieve a new level of calm and fulfillment in just ten minutes a day Andy Puddicombe, a former Buddhist monk, the Voice of Headspace, and the UK's foremost mindfulness expert, is on a mission: to get people to take 10 minutes out of their day to sit in the here and now. Like his readers and students, Andy began his own meditation practice as a normal, busy person with everyday concerns, and he has since designed a program of mindfulness and guided meditation that fits neatly into a jam-packed daily routine—proving that just 10 minutes a day can make a world of difference. Accessible and portable, The Headspace Guide to Meditation and Mindfulness offers simple but powerful meditation techniques that positively impact every area of physical and mental health: from productivity and focus, to stress and anxiety relief, sleep, weight-loss, personal relationships...the benefits are limitless. The result? More headspace, less stress. Andy brings this ancient practice into the modern world, tailor made for the most time starved among us. Switch off after work * Fall asleep at night * Feel less anxious, sad, or angry * Control your cravings * Find a healthy weight
