 This invaluable little book highlights the real mistakes that students make in the exam - and shows how to avoid them. Based on analysis of thousands of exam scripts, each unit targets a key problem area. Clear explanations and exercises help students to use the language accurately. Regular tests offer students a further opportunity to check and consolidate what they have learnt. • Highlights common mistakes that learners really make. • Based on analysis of thousands of exam scripts. • Short, snappy explanations focus on key problem areas. • Includes exam-style exercises.

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

This flexible course brings together all the tools and technology you expect to get the results you need. Whether teaching general English or focusing on exams, Prepare! leaves you and your students genuinely ready for what comes next: real Cambridge English exams, or real life. The Level 6 Student's Book engages students and builds vocabulary range with motivating, age-appropriate topics. Its unique approach is driven by cutting-edge language research from English Profile and the Cambridge Learner Corpus. 'Prepare to...' sections develop writing and speaking skills. A Student's Book and Online Workbook is also available, separately.
