

Students Book

This title uses a variety of imaginative activities to develop oral fluency, encouraging students to draw on their own life experience.

Through a range of exciting activities, this two-level series draws on students' world knowledge, beliefs, and personal experiences to teach various aspects of the writing process. The first level of this two-level writing text draws on students' world knowledge, beliefs, and perceptions to teach organization and other aspects of the writing process.

Access Free Students Book

Designed to cover the requirements of the National Curriculum, this book's features include a flexible resource for teaching the National curriculum, an integrated approach to language study at all stages, a range of authors, poets, and playwrights from different centuries and cultures. Activities help develop individual and group study skills.

Challenge and inspire your teenage learners to think beyond language. Think is a vibrant course designed to engage teenage learners and make them think. As well as building students' language skills, it offers

Access Free Students Book

a holistic approach to learning: developing their thinking skills, encouraging them to reflect on values and building their self-confidence. Topics are chosen to appeal to and challenge teenagers, firing their imagination and ensuring effective learning. Exam-style exercises and tips help students prepare for Cambridge English Key, Preliminary, First and Advanced. Informed by the Cambridge English Corpus, the course reflects real language usage and 'Get it right' sections help students avoid common mistakes.

Passages, Third Edition, is a two-

Access Free Students Book

level, multi-skills course that will quickly and effectively move adult and young-adult learners of English from high-intermediate to the advanced level. The Passages, Third Edition, Student's Books have been updated to offer fresh, contemporary content, relevant speaking and listening activities, comprehensive grammar and vocabulary support, enhanced reading skills development, and a step-by-step academic writing strand. Students will progressively elevate their language ability in both formal and informal communication through a variety of real-world

Access Free Students Book

contexts. Frequent communication reviews will systematically consolidate learning, while the popular Grammar Plus and new Vocabulary Plus sections in the back of the Student's Book provide additional skills support. Edition adapted for British and Australian students. "The Music Tree" series continues the development of complete musicianship by providing the beginner with delightful and varied repertoire. The pupil learns a variety of idioms encompassing folk, jazz and pop. The creativity of the students is emphasized since

Access Free Students Book

they are given musical segments to rearrange, transpose, complete or to use as the basis for a new composition. Technical aspects are also addressed including greater facility, blocked intervals and chords, and more hands together playing. Guided training steps are used to encourage intelligent practice skills.

Viewpoint is an innovative course that's based on extensive research into the Cambridge English Corpus, taking students to a higher level of proficiency to become effective communicators. Viewpoint Level 1 Student's Book A is for young

Access Free Students Book

adult and adult students who have reached an upper-intermediate level of English proficiency (B2). Units 1-6 in this level teach the language, skills, and strategies that students need to progress beyond intermediate level and to speak and write in English naturally, effectively, and appropriately. From the same author team as the ground-breaking Touchstone series, Viewpoint 1A also draws on the Cambridge International Corpus which underpins a highly effective approach to teaching English language. This is a revision of a successful high-intermediate to low-

Access Free Students Book

advanced writing book that teaches students to write academic essays with greater fluency. This book helps students develop their academic writing skills. Using thought-provoking, authentic readings that challenge students to think critically and clearly, this widely used text guides students through the processes of reading, reflection, writing, and revision.

Literacy is a

comprehensive textbook

which provides students

and researchers with support for advanced study of the topic. It introduces readers to a broad range of approaches to understanding literacy in educational contexts and in society. Literacy: integrates psychological, educational and anthropological approaches to literacy and its consequences for individuals and society gathers together influential readings from key names in this interdisciplinary field,

including: Catherine Snow, David Olson, and Mike Cole presents teachers, students and researchers with many diverse opportunities to explore for themselves a broad range of perspectives and methods of study. Written by experienced teachers and researchers in the field, Literacy is an essential textbook for students and researchers of Applied Linguistics. North American short stories enhance students' reading skills, language

learning, and enjoyment of literature. Discovering Fiction, Second Edition, Student's Book 1 presents stories with universal appeal to engage students and make them think critically. Among the authors included are O. Henry, William Saroyan, Gwendolyn Brooks, Isaac Asimov, and Sandra Cisneros. Extensive pre-reading activities capture students' interest. Post-reading activities check their comprehension, increase their knowledge

of grammar and vocabulary, and provide thought-provoking discussion and writing assignments. Literary term explanations and tasks enhance students' appreciation of literature. In addition, WebQuests take students beyond the reading to expand their knowledge of the topic while building Internet reading skills.

This student book covers every skill and topic in the CIE First Language syllabuses 0500 and 0522 in depth, showing

students how to make progress and achieve their target grades. Routledge English Language Introductions cover core areas of language study and are one-stop resources for students. Assuming no prior knowledge, books in the series offer an accessible overview of the subject, with activities, study questions, sample analyses, commentaries and key readings - all in the same volume. The innovative and flexible

‘two-dimensional’ structure is built around four sections - introduction, development, exploration and extension - which offer self-contained stages for study. Each topic can also be read across these sections, enabling the reader to build gradually on the knowledge gained. Introducing English Language: is the foundational book in the Routledge English Language Introductions series, providing an

accessible introduction to the English language contains newly expanded coverage of morphology, updated and revised exercises, and an extended Further Reading section comprehensively covers key disciplines of linguistics such as historical linguistics, sociolinguistics and psycholinguistics, as well as core areas in language study including acquisition, standardisation and the globalisation of English

uses a wide variety of real texts and images from around the world, including a Monty Python sketch, excerpts from novels such as Virginia Woolf's *To the Lighthouse*, and news items from Metro and the BBC provides updated classic readings by the key names in the discipline, including Guy Cook, Andy Kirkpatrick and Zoltán Dörnyei is accompanied by a website with extra activities, project ideas for each unit, suggestions

for further reading, links to essential English language resources, and course templates for lecturers. Written by two experienced teachers and authors, this accessible textbook is an essential resource for all students of the English language and linguistics.

Complete PET is a brand new course for the PET exam. It combines the very best in contemporary classroom practice with stimulating topics aimed at teenagers and young adults. The

course covers every part of the PET exam in detail providing preparation, practice, information and advice to ensure that students are fully prepared for every part of the exam. Informed by Cambridge's unique searchable database of real exam scripts, the Cambridge Learner Corpus, and providing an official PET past exam paper from Cambridge ESOL, Complete PET is the most authentic PET exam preparation course available.

A highly focused Cambridge English: First (FCE) course providing efficient exam preparation in 50-60 core hours. Compact First Student's Book provides B2-level students with thorough preparation and practice needed for exam success. Ten units cover all five exam papers in a step-by-step approach. 'Quick steps' and Writing, Speaking and Listening guides, explain what to expect in the exam, and provide strategies on approaching each paper,

model answers, useful expressions and further practice. A Grammar Reference covers all key areas of grammar. The CD-ROM provides interactive grammar, vocabulary and writing practice. The Workbook provides further practice corresponding to the Student's Book units with listening material on the Audio CD. Two complete practice tests are included online.
