Excerpt from Tarbell's Teachers' Guide to the International Sunday-School Lessons for 1912 We begin with the prophecy of the birth of Jesus' forerunner, hear the glad news of our Saviour's birth, and learn of his growth in wisdom and stature and of his increase in favor with God and man; next we study the preparatory events of his ministry, his baptism and temptation and the call of his first disciples; and then we follow him throughout his Galilean ministry, witnessing his miracles and hearing his more marvelous words, noting his popularity with the masses and the increasing hatred of the Pharisees, and watching the expanding of his program till his ministry reaches its climax in the confession by his disciples that he is the Christ and in the revelation of his divinity to the chosen three at the Mount of Transfiguration.
