

The Roam Series

When their parents die an untimely death, a blind, naïve younger sister becomes wholly dependent on her bitter and conniving older sister, who overprotectively imparts stories of a brutal and dangerous world until the younger sister makes a surprising choice. By the author of Big Fish.

A young woman with a dangerous power she barely understands. A smuggler with secrets of his own. A country torn between a merciless colonial army, a terrifying tyrant, and a feared rebel leader. The first book in a new trilogy from the acclaimed Heidi Heilig blends traditional storytelling with ephemera for a lush, page-turning tale of escape and rebellion. For a Muse of Fire will captivate fans of Sabaa Tahir, Leigh Bardugo, and Renée Ahdieh. Jetta's family is famed as the most talented troupe of shadow players in the land. With Jetta behind the scrim, their puppets seem to move without string or stick—a trade secret, they say. In truth, Jetta can see the souls of the recently departed and bind them to the puppets with her blood. But ever since the colonizing army conquered their country, the old ways are forbidden, so Jetta must never show, never tell. Her skill and fame are her family's way to earn a spot aboard the royal ship to Aquitan, where shadow plays are the latest rage, and where rumor has it the Mad Emperor has a spring that cures his ills—and could cure Jetta's, too. Because seeing spirits is not the only thing that plagues her. But as rebellion seethes and as Jetta meets a young smuggler, she will face truths and decisions that she never imagined—and safety will never seem so far away. Heidi Heilig creates a vivid, rich world inspired by Asian cultures and French colonialism. Her characters are equally complex and nuanced, including the bipolar heroine. Told from Jetta's first-person point-of-view, as well as with chapters written as play scripts and ephemera such as telegrams and letters, For a Muse of Fire is an engrossing journey that weaves magic, simmering romance, and the deep bonds of family with the high stakes of epic adventure.

Ronald Novak and Sean Williams: two of America's finest battle hardened soldiers are betrayed by their commander. On the verge of avenging themselves, their lives and the course of two universes are forever changed! Now, Ron and Sean are in the fight of their lives as mercenaries under the employ of a clandestine government, in a universe where an advanced Roman Empire still reigns.

They will risk it all to protect what's theirs. Nobody gets in their way and nothing will stop them. These are the men of Royal Ace Security. If you like protective alphas, you'll love this collection of bodyguard romances featuring books 1-3 in the Guarding Her series. ♠ Surface: She was off limits. Too young. The boss's daughter. Forbidden. I knew it all along, but it didn't change the absolute possession I felt when it came to her... nothing would change how I felt about her. So I did what I had to; I waited until the time was right to make her mine, only to find out there is one thing that could ruin it all. ♠ Drift: I could tell this girl was lost. She was also scared and

alone. This life was going to destroy her... If I let it. She refuses my help and protection until she realizes the audition she's attending isn't an audition at all. It's an auction. And she's about to be sold to the highest bidder. I've got the money to buy her, but better than that, I've got the power to save her. ♠ Edge: It was supposed to be a normal job. Another tour with another superficial singer. But the first time I put my hand on her lower back, it was over. Leave it to a five foot nothing, blonde haired, blue eyed pop princess to knock me on my ass. I'm not the only one who wants her though. But in the end, I'll be the only one who gets all of her. Because while everyone else is screaming her name, she's moaning mine.

Explores supernatural encounters from around the world featuring first-hand accounts from eyewitnesses of ghost and poltergeist sightings, possessions, Mothmen, demons, witchcraft and haunted places and offers the latest attempts by science to explain the unexplainable. Original. 35,000 first printing.

From the author of the bestselling Gideon Johann Western Series comes the new western Where The Wild Horses Roam. Caleb Berg is wanted by the law in Tennessee. The young widower is forced to leave behind his parents and sister to start a new life in the wide-open west. His adventures along the trail lead him to a horse ranch in the Wyoming Territory. After Indians killed her daddy, Caroline Langley took over her family's horse ranch. The young woman, bitter from the loss of her father and her divorce from her unfaithful husband, has her hands full after a cattle rancher is determined to rid the open range of the mustangs. Caroline and the rest of her crew find themselves in a fight to save the ranch - if she and Caleb don't kill each other first. The two of them just might find out they are attracted to each other if they could move on from the burdens of their past. Sometimes a second chance is all that is needed. Where The Wild Horses Roam combines historical romance and action western for a fresh new novel.

West (A Roam Series Novella)

What does it mean to be out walking in the world, whether in a landscape or a metropolis, on a pilgrimage or a protest march? In this first general history of walking, Rebecca Solnit draws together many histories to create a range of possibilities for this most basic act. Arguing that walking as history means walking for pleasure and for political, aesthetic, and social meaning, Solnit homes in on the walkers whose everyday and extreme acts have shaped our culture, from the peripatetic philosophers of ancient Greece to the poets of the Romantic Age, from the perambulations of the Surrealists to the ascents of mountaineers. With profiles of some of the most significant walkers in history and fiction - from Wordsworth to Gary Snyder, from Rousseau to Argentina's Mother of the Plaza de Mayo, from Jane Austen's Elizabeth Bennet to Andre Breton's Nadja - *Wanderlust* offers a provocative and profound examination of the interplay between the body, the imagination, and the world around the walker.

She'd rather take her chances without the ruggedly handsome, cold-blooded operative who boasts an alpha complex and too many guns. Colby Winters, an elite member of The Titan Group, has a single objective on his black ops mission: recover a document important to national security. It was supposed to be an easy in-and-out operation. But now, by any means necessary becomes a survival mantra when he faces off with a stunning woman he can't leave behind. When Titan's safe houses are compromised, Colby stashes Mia at his home, exposing his secret--he's the adoptive father of an orphaned baby girl. Too soon, danger arrives and Mia lands in the hands of a sadistic cartel king with a taste for torture. As hours bleed into fear-drenched days, Colby races across the globe and through a firestorm of bullets to save the woman he can't live without. GARRISON'S CREED Nicola is an injured CIA agent on the run from a failed undercover operation. Her escape plan shatters when she slams into the man who buried her a decade ago. Cash Garrison. Her first and only love. Now, sexier than her best memory and cradling a sniper's rifle, he has questions she can't answer. Why was she alive? And armed? Cash is an elite member of a black ops organization, The Titan Group. He thought Nicola died his senior year of college and swore off love to focus on a decade of military missions. But when she shows up behind enemy lines, bleeding out and wielding a weapon, his heart and mind are unsure how to proceed. Titan and the CIA join forces to uncover a mole hidden in a network of international terrorists and homegrown mobsters, teaming Cash and Nicola again. When disaster strikes, Nicola's hidden past makes her the hunted target and Cash's best kill shot may not be enough to save them. WESTIN'S CHASE Jared Westin knows his reputation and likes it. He gets the job done. No emotion. No baggage. That's why his elite ops company, The Titan Group, is better than the best. They complete projects classified as

mission impossible. And then, in walks a woman as tough as she is sexy. His counterpart in every way, should he choose to admit it. Ousted undercover ATF agent Lilly Chase only answers to "Sugar." Jared is the only man who can see past her leather-and-lipstick demeanor, and that revelation is terrifying. She was fired for helping Titan on a questionable arrest she should've ignored, then partnered with Jared's rival on an assignment in Afghanistan. Saving Sugar isn't a normal rescue operation. It pits Titan against its rival, Jared against his nemesis. Chasing Sugar's heart isn't a simple task, either. She fights him, fights them, always ready to run. Jared must risk his life to save her--the woman whose bravado and surprising sweetness has given him the one thing he never had. Love. GAMBLED Brock Gamble's epic fall from the Titan Group labeled him a traitor, then his wife walks out the door. Can the couple survive if the only chance of redemption is a fall further into a world of guns and kidnappings? CHASED Jenny Chase and Asher McIntyre: can two hearts on opposite career paths survive while Asher's enemy seeks to destroy them both?

Since Eva's birth, Will has done everything in his power to protect her from harm. Icepond, burning slowly from the overwhelming power of two suns, must turn to its king for survival. Eva has known of the prophecy all of her life and understands the decision she must face. When Will comes to Eva as the sun threatens his kingdom and his people, asking her to live in Icepond, Eva demands that she be more than a savior to his world... she will settle for nothing less than queen. The king of Icepond struggles to shield his heart from his own young, fiery queen, realizing what he has truly known from the moment he saved her infant life one cold, snowy night... He was destined to love her.

Love is back in the air as Valentine's Day grows closer, but one young cat-shifter named Roam is in danger of not receiving any Valentine's Day cards this year! The Dragonling girls are on a mission, which of course leads to chaos, heart-warming adventures, and our favorite alien dads worrying again! I hope you enjoy this Valentine's Day story from the Dragonlings of Valdier and The Worlds of S.E. Smith. Wishing you all a happy Valentine's Day! ~Susan

Dr. Grady Hunter has a massive vampire infestation on his hands. Unfortunately, he can't seem to make any progress in dealing with it even after enlisting help from a supernaturally science savvy techno-mage. As Ethan Roam returns from dream traveling, the pair find themselves in a race against time, and a dark looming force, as a familiar blond vampire reappears and extends his loyalties to Ethan. Can he be trusted or are his motives sinister? How is the vampire cult connected? And are there even bigger foes that they should be concerned with? Grady must fight to keep an ever-evolving Ethan on his side while being challenged by the ghosts of his past and the demons of the present.

This original book provides a whole new way of looking at business problems and ideas. Dan Roam demonstrates how thinking with pictures can help you discover and develop new ideas, solve problems in unexpected ways, and dramatically improve your ability to share your insights with others. Used properly, a simple drawing on a humble napkin is more powerful than Excel or PowerPoint. It can help us crystallise ideas, think outside of the box, and communicate in a way that other people simply “ get ” . Drawing on 20 years of visual problem solving combined with recent discoveries in vision science, Roam shows us how to clarify a problem or sell an idea by visually breaking it down using a simple set of visualisation tools. His strategies take advantage of everyone ’ s innate ability to look, see, imagine and show

MICHAEL ZIMMER Winner of the 2015 Wrangler Award for Outstanding Western Novel for *The Poacher's Daughter HE WAS CAUGHT BETWEEN TWO WORLDS, WITH FREEDOM FLOWING IN HIS BLOOD...* Born a slave on an East Texas cotton plantation, Clay Little Bull was captured by the Kiowa as a small child and raised among the wild tribes. But at the age of twenty, he left the only home he'd ever known and began a journey in search of freedom. Now, an outcast among whites, blacks, and Indians, Clay came face to face with the hypocrisy and lawlessness that ruled the West—and drew first blood when he escaped from a band of Kansas slave hunters. Joining forces with an adventure-seeking buffalo hunter named Ty Calhoun, he led a band of freed men and a beautiful young Indian woman across the great, windswept Western plains in search of a place where he belonged. But with every mile he traveled, Clay moved closer to a truth he was born with: that freedom isn't found in a place or a people, but in a man's willingness to love, fight and die. An epic novel of friends, enemies, blood feuds and the yearning of restless souls, *WHERE THE BUFFALO ROAM* is rare, sweeping western adventure in the classic tradition of *Lonesome Dove*.

The IEEE International Conference on Intelligence and Security Informatics (ISI) and Pacific Asia Workshop on Intelligence and Security Informatics (PAISI) conference series (<http://www.isiconference.org>) have drawn significant attention in the recent years. Intelligence and Security Informatics is concerned with the study of the development and use of advanced information technologies and systems for national, international, and societal security-related applications. The ISI conference series have brought together academic researchers, law enforcement and intelligence experts, information technology consultant and practitioners to discuss their research and practice related to various ISI topics including ISI data management, data and text mining for ISI applications, terrorism informatics, deception and intent detection, terrorist and criminal social network analysis, public health and bio-security, crime analysis, cyber-infrastructure protection, transportation infrastructure security, policy studies and evaluation, information assurance, among others. In this book, we collect the work of the most active researchers in the area. Topics include data and text mining in terrorism, information sharing, social network analysis, Web-based intelligence monitoring and analysis, crime data analysis, infrastructure protection, deception and intent detection and more. Scope and Organization The book is organized in four major areas. The first unit focuses on the terrorism informatics and data mining. The second unit discusses the intelligence and crime analysis. The third unit covers access control, infrastructure protection, and privacy. The fourth unit presents surveillance and emergency response.

Long ago, the betrothal of a beautiful princess to a young, powerful king was set to unite kingdoms for centuries. Mina and Troy, from the moment they touch, fall into a love that will eventually ignite a timeless vengeance between two worlds. Roam, now a wife, mother, and warrior with memories never forgotten, is thrust into her ancient life with Troy. West, first knight to the king, and Logan, the king's own brother, have fallen into the past... with no hope of return. Sent back not only into this very first life, but also back into time, Roam, West, Logan, and Troy will realize that, from the very beginning... They created their very own end.

Roam, imprisoned in an ancient land and left to the mercy of Troy's cruel reign, longs for freedom, her child, and West. Surviving with only Logan's presence to save her from certain insanity, she turns to herself and finds that she alone possesses the strength and power to save her own life. Deep within her soul, Roam remembers her timeless love for West and their child. Drawn together for the final battle, Roam and West cling to each other... and the promise of one last life... Together.

She was my daughter's best friend. She stood next to me and held my hand while my little girl's pink casket was lowered into the ground. The last time I saw her she was chasing me down the street as I left the town that was slowly suffocating me to death. But now she's a woman and she needs my help. So I'll save her and ask for nothing in return. Except maybe one thing that I'm not sure she's ready to lose.

After learning that her life's purpose is to fulfill a prophecy to save our world, Roam finds that she is pregnant- and missing the love of her life with all of her heart. Logan, her best friend, stands by her, helping her to find a way back to West... despite his own love for her. On a journey that will take her to another body and life in 1955 and, eventually, to another world, Roam will discover that before she can rise and protect our world and her child from an immortal evil...She must fall.

I tried to resist her. She was smarter this time. Naive. Needing. Nothing good could come of this, of her in my arms again, her breath on my lips, her body beneath me. I knew what I needed to do. I knew what I had to do. Everything would be different this time, this seventh life, this last chance. I had a path... a remedy... a plan. Until the moment I touched her again.

Three strangers, each searching for something out of reach. Sarah Cate, celebrating her twenty-first birthday, is pushed over the edge after car trouble strands her in the middle of nowhere with an angry, unstable boyfriend. Kevin Reed, a troubled adolescent abused by a loveless father, roams the night in his black Camaro, looking to pay forward one of the few acts of kindness he's ever received. Scotty Mason, plagued by profound guilt and completely detached from his world, is haunted by the unshakable fear that something inside him is dangerously broken and cannot be fixed. When their lives intersect in an unsavory hotel with a bloody history, all three will struggle to exorcise their personal demons, unaware that a bigger threat is looming . . . and waiting for the right moment to strike.

Ever been to so many meetings that you couldn't get your work done? Ever fallen asleep during a bullet-point presentation? Ever watched the news and ended up knowing less? Welcome to the land of Blah, Blah, Blah, in which talk and words prevent us from thinking. As powerful as words are, we fool ourselves when we think our words alone can detect, describe and defuse the multifaceted problems of today. This book offers a way out of Blah, Blah, Blah. It's called "Vivid Thinking", which combines our verbal and visual minds so that we can think and learn more quickly, teach and inspire our colleagues, and enjoy and share ideas in a new and more effective way. Through Vivid Thinking, we can make the most complicated subjects suddenly crystal clear – something which is proving increasingly valuable in this complex world of ours
